

REMARKS

Applicants respectfully request entry of the replacement Listing of Claims described above and consideration of the substantive remarks filed in Applicants' June 25, 2008 Amendment on their merits.

The Listing of Claims included herein is substantively identical to that submitted June 25, 2008. The only difference lies in the inclusion of the "claim status identifier" "Currently Amended" that has been inserted in claims 39 and 42 and "Previously Presented" that has been inserted in claims 36-38, 40, 41, and 43. Applicants appreciate the Examiner's professional courtesies in identifying these inadvertent errors.

While Applicants believe that no fees are due to permit entry of this Response, if any fees are in fact due in connection with the filing of this Paper that are not otherwise accounted for, such as fees under 37 C.F.R. §§ 1.16 or 1.17, the Commissioner is authorized to debit our Deposit Account No. 19-0733 for any necessary fees that are required to maintain the pending status of this application. Any overpayment may be credited to Deposit Account No. 19-0733.

Applicants respectfully request further examination of this application on its merits. If the Examiner believes that a telephone conference or a personal interview will be useful to advance the prosecution of this application, he is invited to contact the undersigned attorney.

Respectfully submitted,
